

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, Records Systems Branch

FROM : Chief, Records Management Division

SUBJECT: Comments on HR 5821

DATE: 3 May 1955

1. Attached is a copy of a proposed Bill, HR 5821, which was introduced on 25 April and proposes certain changes in the Federal Records Act of 1950, particularly in relationship to microfilming.

2. Please review this Bill and let me have your opinion as to its intent and the effect that such a piece of legislation would have on this Agency if it were enacted into law.

3. I would appreciate your comments not later than 9 May.
